

BUSINESS CONSULTANT WITH A GLOBAL OUTLOOK AND HIGH AMBITIONS AT AVK HOLDING

Join us in driving the AVK Group to new heights. Your ambitions, ideas, and passion can shape the future of our organisation

Are you ready to make a significant impact on the performance of over 100 global sales and manufacturing companies? Do you thrive on achieving measurable results while collaborating with colleagues across cultures, functions, and organisational levels?

At AVK Holding, we form a high-performing and diverse team with the vision of optimising our business processes across our 100+ companies, driving the AVK Group to new heights.

We are looking for a Business Consultant with strong ambitions, analytic mindset, and a global perspective to join our newly established team called AVK Business Office. This role demands a flexible mindset and a readiness to travel extensively.

Joining our team means becoming part of a successful organisation at a pivotal moment. For 15 years, AVK Business System has set best practices for continuous improvement. Now, we are sharpening our focus on people and processes, and leveraging past successes in a fresh and innovative environment.

Key Responsibilities

As a Business Consultant, you will:

- Help establish a new approach to performance improvement within the AVK Group through co-creation with key stakeholders.
- Collaborate with senior stakeholders across AVK segments, regions, and group functions to identify critical areas for enhancement.
- Be the support and lead in the analysis of the current state of performance and be able to present for our senior leaders the key areas that need to be improved based on facts.
- Facilitate and lead workshops aimed at fostering a high-performance culture that is aligned with the AVK way.

Background & Skills

To be successful in this role you must hold a bachelor's degree in business administration, business engineering, or equivalent relevant experience (at least three years) in consulting, process improvement, efficiency projects, or organisational transformation.

We are looking for candidates who can demonstrate:

- A proven track record of driving substantial, lasting improvements in business performance, ideally in an international setting.
- A result-oriented mindset and the ability to thrive in team environments.
- Strong interpersonal skills to quickly build trust with stakeholders, colleagues, and leadership teams.
- Analytical, structured thinking combined with humility, self-confidence, and accommodating.
- Exceptional communication skills and the ability to foster consensus among diverse stakeholders.
- Proficiency in English, both written and verbal.

What We Offer

- A challenging and rewarding position at AVK Holding. You can be based anywhere in the EU as we are a truly global company.
- A truly international role with up to 50% travel per year.
- Opportunities for both personal and professional development.
- A global work environment that values growth and innovation.
- A dynamic and informal workplace culture.

Application Process

We review applications on an ongoing basis, so please apply at your earliest convenience. If you have any questions, you are most welcome to contact Mrs Birgitte Torben, Group Lean Manager, on mobile +45 2014 0050.

To apply, you must send your CV and a written application to bito@avk.dk.

About AVK

AVK's core business area is the development and production of valves, hydrants and accessories.

Our products are part of vital infrastructure for clean drinking water, safe distribution of natural gas, efficient wastewater management from households and industry, and fire protection.

The AVK Group is family-owned with headquarters in Galten, Denmark.

With a turnover of DKK 9,0 billion in 2024 and more than 5,000 employees at 100+ production and sales companies worldwide, AVK is a very significant player in our industry.

AVK wants to be a responsible and trustworthy company balancing economic, environmental and social conditions. Sustainable initiatives are fundamental in our production and we have a healthy and safe working environment.
